Please note that teams are responsible for their own uniforms or shirts, as these are not provided by Parks and Recreation. Additionally, each team must have an adult manager or coach who will be accountable for the team. All communication will go through this individual, who is also responsible for keeping the team informed. Team placement will be based on the age of the oldest player. The Salina Parks and Recreation league divisions are organized by school grade, as follows:

Foster Parents:

Foster homes feed, care, train, socialize and most importantly love shelter animals. The need for more foster families is ever present as every day more animals are being released to the shelter.

Foster parents take in sick or injured dogs and cats needing quiet space and extra attention as well as expectant and nursing moms with their puppies and kittens.

The TLC given in foster care, in addition to the extra space foster families provide, allow for fewer animals to be euthanized.

Serving Saline County

The Salina Animal Shelter is now providing services to the Saline County outside the City of Salina. If you find a stray dog or domesticated cat in the county you can drop it at the shelter so that it can receive the care it deserves. The Salina Animal Shelter will also accept owner surrenders from Saline County residents for adoption.

Dog Park

The City of Salina has two public dog parks; Barkley Park, and the Salina Animal Shelter Dog Park. Barkley Park is a fully fenced, 2-acre public dog park located South of Dean Evans Stadium on Markley Rd, and is open to the public daily from 5am to 12am. A second, smaller dog park is located at 329 N 2nd directly behind the Salina Animal Shelter to the west. This park is also open from 5am to 12am with the exception of a daily closure from 9am to 11am Monday through Friday. Your dog must be over 4 months of age and have a current rabies shot and city license (Salina residents only) to visit either park. Remember also keep your dog on a leash until you are inside the park.

Adopting? Look past appearances!

A common mistake made by adoptive families is choosing a pet based on appearance and not compatibility. We recommend describing the individual qualities you are seeking, and then researching which breeds will fit your lifestyle. You may be surprised at what you find, or "who" you find. Regardless of what you have your heart set on, we can still help you find it!
