The above list of Backflow Device Testers has been certified by the Kansas Department of Health and Environment. The City of Salina makes no representation, however, regarding the abilities, performance, or quality of service of these testers and does not assume or accept any responsibility for the actions or performance of such certified testers. This list is provided merely as a convenience to our water service customers. Customers are required to use their own judgement with respect to contracting with these or any other certified testers and are encouraged to contact several firms for price comparison.
